1958 Beechcraft J35 Bonanza

Slick J35 Bonanza 4600 tt, 400 smoh, 470 spoh, brand new strip and paint. Undergoing panel refurb now. Good interior King digital stack. KLN 89B. Several flight instruments overhauled. New hoses behind panel.

DeShannon 15-gal tip tanks. Flies great. The small tips don't affect the flying characteristics at all. Very nice flying airplane. Will have a fresh annual once the panel is finished. \$47,000

This engine should easily make 2000 hrs and more.
